

TRANSPeAK Derby to Buxton via Matlock

Many of us are worried by the threat posed by the Coronavirus and I want to reassure everyone that our primary concern is the safety and well-being of our staff and customers.

While the latest Government guidance advises against the use of public transport unless it's for essential reasons, we know there will still be people who need bus services to get to work, visit loved ones or access essential services.

This is a dynamic situation which we are continually monitoring alongside other transport providers and local authorities, we have already seen a reduction in the number of people using public transport.

With that number expected to fall further, after careful consideration we have made the decision to reduce the frequency of a number of bus services provided by High Peak Buses. The details are shown below of the changes being introduced to the TransPeak service from Saturday 21 March 2020 until further notice.
